Together: Creating A Better Tomorrow
A Fundraising Event That Will Change Lives

The Foundation for Disabled Youths is a 100% volunteer operated and privately funded local grassroots organization that provides weekly classes and support for disabled youths and their families.

FFDY was established on the basis of one goal: giving our disabled youths the opportunity to live, play and experience everyday activities just like everybody else.

In the past few years, FFDY organized annual events such as skiing at Big Bear Lake, competing in the Annual Dragon Boat Race held in Long Beach and taking trips to the circus, the L.A. County Fair and Disneyland. Seeing the joyful smiles on the children's faces, we became touched by their genuine happiness. These smiles also brought much comfort and joy to all the parents and relatives who have been wholeheartedly taking care of these children for so many years.

Aside from hosting annual activities and workshops, FFDY is continuously looking for new and improved ways to better the lives of our Angels and their families. Some of the long-term goals that the organization has set include: acquiring a permanent facility for educational and residential use, offering special service daycare and after school programs, hosting health-awareness seminars for friends and families, and expanding our organization and membership nationally.

We believe joy is best spread through the power of sharing, and the greatest joy, is to provide children with love and care. FFDY extends our annual fundraising invitation to you. Please join us in taking this journey to reach our milestones. By doing so, we will change lives.

The fundraiser will be held on Saturday, September 27 from 3pm to 5pm. The event will include performances by our children, String and Bamboo Music, and U.S. taekwondo competition champions: Team-M. Regular tickets are \$20 and VIP tickets are \$100. All proceeds will benefit FFDY.

Let us all work hand in hand to create a better tomorrow and be the change that touches the children's lives.

We thank you and hope to see you at the event!

Sincerely,
Foundation for Disabled Youths
